

Semi Automatic Liquid Fill Sealer

Sevana's Semi Automatic Liquid Fill Sealer automates filling for milk and other liquids while operators control sealing with a foot pedal. It delivers consistent fill quantities in a compact machine designed for straightforward operation and maintenance.

Technical Data	QS200LFS
Sealing length (mm)	200
Voltage/Frequency (V/Hz)	240/50
Power (W)	430
Pump capacity (L/min)	3
Machine dimensions (LxWxH) (mm)	660x620x1460 (+40*)

* Adjustable height
